DETAILED ACTION

Claims 1-11 are pending in this application.

Information Disclosure Statement

The information disclosure statement (IDS) submitted on 03/02/04 was filed on the same mailing date of the application. The submission is in compliance with the provisions of 37 CFR 1.97. Accordingly, the information disclosure statement is being considered by the examiner.

Reason for allowance

Claims 1-11 are allowed. The following is an examiner's statement of reason for allowance: None of the references of record teaches or suggests the claimed limitations having a method of producing a double-side metal-foil-clad laminate for a semiconductor plastic package structure comprising, among other features as cited in independent claim 1, the steps of forming a protrusion on one surface of the metal sheet for mounting the semiconductor chip, and forming a clearance hole having a diameter greater than the diameter of a through-hole or a slit whose minor side is greater than the diameter of the through-hole for providing the through-hole for the conduction of front and reverse circuit conductors, disposing a low-flow or no-flow sheet or resin layer having a hole slightly greater than the area of the protrusion portion on the protrusion position on the side where the metal protrusion portion is formed, disposing a high-flow

sheet or resin layer having a resin amount and a resin flow for being filled in the clearance hole on the other side, and disposing metal foil clad laminates on both outer sides thereof.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".

Conclusion
